Daly City Plans Disaster Preparedness

Name Committee For Dedication Of Parks Program

Named to the committee for the dedication of parks at the fortnightly meeting of the Daly City Council, Monday evening, were Julius Twesten, Paul Selmi, Edmund Cavagnaro and Henry Sundermann.

Sundermann is chairman of the group. The committee will meet soon with the recreation committee to work out details of the dedication ceremonies and the date of the dedication. The parks under consideration are Vista Grande and the park at Acton and Brunswick streets.

Along with other business of the evening Daly City officially expressed its opposition of the pending Senate bill 110, when the city council passed a resolution disapproving the bill.

The bill would exclude all uninhabited or sparsely inhabited areas within the boundaries of cities of the sixth class, such as Daly City, from the jurisdiction of that city.

It was also resolved by the city council to place pedestrian lanes and stop signs at the intersection of Mission and Market, Mission and San Jose avenue, and Mission and Templeton.

The dates for Clean-up Week were set by the council for May 12-17. According to Deputy Health Officer Fred Collins this is the fifth spring clean-up week for this community. Two days of clean-up will be devoted to the Crocker tract, two days to Vista Grande, and two days to the Jefferson-Colma area.

The council voted to support a project soon to be undertaken by the Daly City Record—a special sixty page edition in honor of the thirtieth anniversary of the incorporation of Daly City.

The light committee, headed by Henry Sundermann, reported

State Board Allocates $1,188.75

Daly City was allocated $1,188.75 by the State Board of Equalization last week in its semi-annual return from liquor license fees.

This is the fourth largest sum given to cities in San Mateo county. San Mateo received $3,886.25; Redwood City $2,707.50, and Burlingame $1,642.50.

The total for San Mateo county was $24,681.88, slightly less than that of Santa Clara county—$26,569.85. The unincorporated area in San Mateo county received $10,840.00.

Current distribution for the entire state amounted to $1,283,931.32. This represents one-half of the net fees of $2,567,862.64, earned during the last half of 1940.

Since the repeal of prohibition, a total of $17,788,264.16 has been distributed. Of the current distribution the largest single amount will go to Los Angeles county and its cities with a total of $432,061.80. The city and county of San

Stockton Lumber Improves Plant With Remodeling

A million feet of lumber is a lot of lumber! And you don't have to look far to find a lumber company with that much stock on hand. Just visit the A. L. Stockton Lumber company in Daly City. Thirty-one years ago A. L. Stockton founded the business. Three years ago his son, A. H. Stockton, inherited the job. He inherited a lumber mill that had grown to be the largest between San Francisco and Santa Clara, employing thirty men.

Recently the store offices and display room have been remodeled, interior and exterior. The front of the store, as can be seen in the photograph, now extends 112½ feet along Mission street. Water-proof redwood plywood has been used as the exterior material.

"I believe this is the first time natural redwood plywood has been used in just this manner,"

Army To Hold Special Recruiting Meeting At Jeff High Tomorrow Night

Calling all patriots!

That's what the Army has always done. That's what the Army will be doing with special seriousness tomorrow night at the Jefferson Union high school auditorium.

All men of military age, 18 to 35, are especially urged to attend this recruiting meeting where moving pictures will be shown and talks will be given illustrating and explaining the advantages of joining the army now. The meeting will open at 7:30 p. m.

The event is sponsored by Daly City Post No. 410, American Legion, and appeals to all men of military age within the local draft area—including Daly City, Colma, South San Francisco, and Brisbane.

Chairman Arthur Quirmbach, first vice-commander of the local post, points to this army recruiting rally as an evidence of the increasing consciousness of Americans toward their patriotic ideals and duties. City officials have been invited to the gathering.

The program will be opened with an address and introduction by Quirmbach. The duties of master of ceremonies will fall upon Lieutenant Jere J. Ivers. The first speaker will be Colonel G. T.

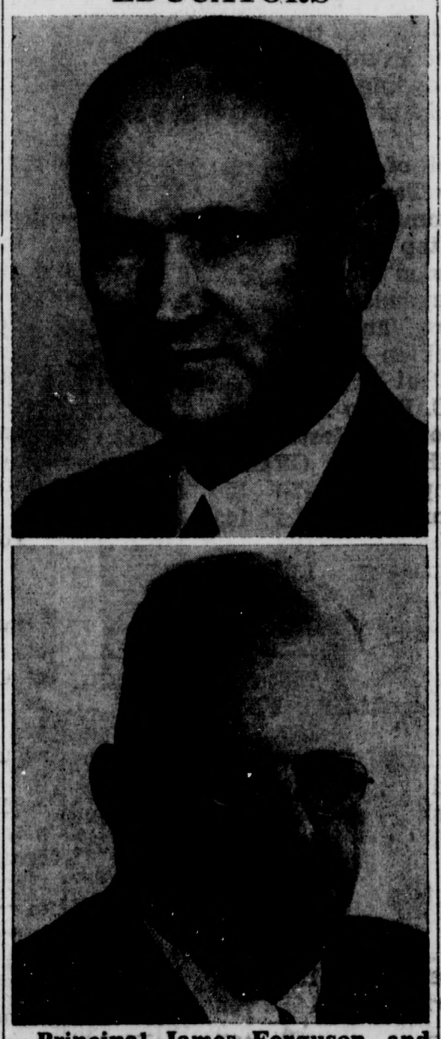
EDUCATORS



Principal James Ferguson, and R. L. Crane jr., district superintendent, have invited all Daly City to participate in Public Schools Week.

Community Will Not Be Caught Napping In Case Emergency Strikes Here

If disaster strikes . . .

In such an eventuality Daly City intends to be prepared. Drawn up by City Attorney R. A. Rapsey and presented to the city council, Monday evening, for first reading was an ordinance to create a Major Disaster Emergency Council.

It will consist of the mayor, a representative of Daly City Post No. 410, American Legion, a member of Old Glory Post No. 2044, Veterans of Foreign Wars, and a member of the San Mateo county chapter, American Red Cross.

Other persons may be added to the emergency council when it seems necessary to the city council.

The purpose of the emergency council is to coordinate all the resources of Daly City in case of disaster. Under present general law, according to Rapsey, such a council has not the power to do such things as commandeer food, or the places of business of citizens, but it is expected that future state laws will delegate such powers.

The council will create a plan for relief and general welfare, and report periodically to the civic government on the progress of its plans. All suggestions accepted by the city council will be incorporated into the ordinance.

Old Glory Post Plans Memorial Parade

Planning the largest Memorial Day parade in the history of Daly City, Old Glory Post No. 2044, V. F. W., will signalize the patritic holiday with a procession from Huron and Mission streets to Vista Grande Park.

There services will be held, at which the local post will be host to the entire Peninsula. The parade will begin at 10 a. m., Memorial Day, May 30.

Smallest but not least in the parade will be the "Rosalyn Patriots," Miss Rose's talented pupils. They will entertain the crowd with their drum corps and drill team.

Leading the procession is to be the San Mateo county sheriff's posse, and included in it will be city and county officials, Daly City police and firemen.

Chairman for the Memorial day program is B. J. Sendner, who will be assisted by other members and officials of Old Glory post.

Police Investigate Theft Of Cash

Daly City police are investigating the robbing of Vista Grande Market, 6350 Mission street. The robbery occured last Thursday night. Police were notified at 7:55 a. m.

The thief broke a back window and entered, taking $45 from the cash register. Chief James Reardon inspected the premises and is working on the case.

Jefferson Student Competes In Contest

Youthful orators representing seven high schools of San Mateo county will meet at Sequoia Union high school, Redwood City, at 10:30 a. m. tomorrow morning, to compete for the county championship in the public speaking contest sponsored by the California Bankers Association. The theme of the contest is "The Responsibility of American Citizenship."

Robert Grimes will represent Jefferson Union high school. He will compete with students from Burlingame high school, Mercy high school, Burlingame; Pescadero Union high school, San Mateo high school, Sequoia Union high school, Redwood City, and South San Francisco high school. Alternate for Jefferson is Dorothy Kampa.

The winner of the contest will receive a gold medal and will represent San Mateo county in the coast counties regional com-

Two Teams Battle For First Place In Record Tourney

Last week's play in the Daly City Record Bowling tournament saw two of the leaders meet—Jew Town and Bank of America—and after eleven straight wins the Bank of America dropped two out of three games.

This put them into a tie for first place with Jew Town, each having won twelve and lost three. Neither team played up to its standard, but Bank of America took low honors with a number of 113's and 114's.

In third place in the standings is Hammar's Station—a half step behind the leaders. In beating Mission Bell 2-1 Hammar's showed probably the most consistently good bowling of the tournament. No one bowled over 200, but only once did a line add up to less than 150.

The fight for the cellar was very hot last week, but D. C. Photo grabbed this unique position for the present by dropping three games to the Independents. Central Creamery, the only girls' team in the league, smote Alert

Anniversary Edition

This week marked the beginning of work on the Thirtieth Anniversary and Progress edition of the Daly City Record.

The edition, which will contain sixty pages, will graphically depict the growth and progress of Daly City since its beginning thirty years ago.

Max F. Farrar, experienced Bay area newspaperman, has been retained to assist in the compilation of data and making of layouts for the publication.

Badminton Finals Set For April 18

Badminton semi-finals, played Friday evening, have winnowed out the least brilliant of the lot, and finals will be run off this Friday, April 18.

The six teams to compete in the finals of the local round robin at the Jefferson high school gymnasium are: Bob and Gertie, Ray and Kay, Jack and Jessie, Ollie and Betty, Bud and Grace, and Stanley and Gertrude.

The competition is for two trophies, and will start at 7:30 p. m. It is supervised by the Daly City WPA Recreation department.

John and Bennie, the shortest couple in the tournament, stuck out some heavy competition to the end, winning four and losing eight.

The standings as of Friday are as follows:

	W	L	Pct.
Bob-Gertie	11	1	.917
Ray-Kay	10	2	.833
Jack-Jessie	9	3	.750
Ollie-Betty	9	3	.750

Over The Top in a Ford 'Blitz Buggy'

DEARBORN, Mich.—With Edsel Ford, president of the Ford Motor Company, and Brig. Gen. C. H. Bonesteel of the U. S. Army as passengers, a Ford test driver puts a "blitz buggy" through its paces. Built by Ford for the army, this tiny reconnaissance car is a four-wheel-drive vehicle that will climb 80 per cent grades and travel 55 to 60 miles an hour. They can be maneuvered over all types of terrain. An initial army order for 1,500 Ford "blitz buggies" already is rolling off a Rouge plant assembly line.

Eagle Teams Play In League Monday

The Colma "A" five lost to South City 2-1 Monday night in the Peninsula Eagles bowling competition.

Curry, of the Colma team, was high man with 532. Selmi scored 439, Smith 463, Pearlman 482, and Johnson 476. For the South City team Jenkins was high man with 500.

The Colma "B" team whitewashed San Francisco No. 5 3-0 in an upset. The games were all very close. 763-745, 772-754, 808-750. High man for the evening for both teams was Mendelson with 497. Meritt of the Colma team scored 368, Craig 431, Reardon 383, and Hovey 478.

Resulting from games played last week, Colma "A" wedged itself more firmly into fourth place in the standings, and Colma "B" remained in last place, four games behind South City.

Standings of the league are:

Smoking Dog

One of the reasons Spokane County Superior Judge Fred Witt would not consider appointment to the Supreme court for which he was recently prominently mentioned was that his wife preferred to remain in Spokane. And one of the reasons that Mrs. Witt preferred to remain in Spokane was that she feared the change of climate might not be good for her 10-year-old pet fox terrior Tiny. Tiny is a fastidious animal in that he cannot start the day, Mrs. Witt says, without a cup of coffee well seasoned with sugar and cream, after which he demands a cigarette.

Silver Lining

War has a silver lining for 84,000 who were on relief last winter in St. John's, Newfoundland. Its great newsprint and its wood-pulp and mine-prop industries have been revived with the closing of the Baltic. Iron, lead, and zinc mines are again operating, while enlistments in the navy, army and civilian forestry corps have also helped to reduce unemployment.

BOWLING TOURNEY

(Continued from Page 1)

Van for one out of three and this feat hoisted the girls to ninth place. They very nearly beat Alert Van twice.

Just about every member of the Central Creamery team bowled at least one good game. Anderson achieved a 186, which is little short of terrific, Compangno made a 160, Gamba a 162, and Hammer a 167. Gamba came close to spoiling her perfect tournament record of always bowling better than 400 for three games. Collapsing to an inexplicable 98 for her last game she totalled 402 for the night.

Hilltop Lodge, who didn't play last week, meets Jew Town this week. Mission Bell plays Stockton Lumber tonight. Bank of America meets Hammar's Station tomorrow night, and Central Creamery clashes with the Independents the same evening.

Bowling standings after s i x weeks of play are as follows:

Boy Weather Prognosticator

Interested in weather, a 14-year-old boy, Roger Keener, a Boy Scout, of Canaan, Conn., has set up his own weather bureau in his home and his predictions have been quite accurate, neighbors say. He has all the necessary instruments for recording wind, humidity, barometer pressure and precipitation. Roger became interested in weather through his scouting work and hopes to go on with his study, expecting to make it his profession later on in life.

An Old Custom

The customs of women dyeing their hair and tinting their fingernails date back some 4,000 years in Egypt, as is evidenced by pictures in ancient monuments and by mummies.

Curry's In Tie For First Place

Curry's Barbers were challenged for first place in the 9:30 Division of the Merchants bowling league last week. They now hold top spot jointly with Fisher's Boys.

These two teams are currently the only ones in the league with averages above .500.

The Barbers hit a slightly unexpected stumbling block when they met last-place Cabin Garage, and dropped one of the three games.

Fisher's Boys beat an unimpressive California General Linen Supply 3-0.

High scorer for Curry's Barbers was G. Curry with 584. C. Curry rolled the best single game —226.The rest of the team marked up the following records: Krehl 460, Pavlos 533, Pearlman 478, and C. Curry 513, for a total of 2568.

It was civil war between the other two local teams in the league, and Milo's Butchers had the most ammunition—in fact enough for a 3-0 victory over Universal Press: 823-749, 820-765, 784-756.

H. Smith piled up a 541 for the winners, and made high single game with a 197. The rest of the team scored as follows: E. Milo 471, Hallett 484, Thur 434, T. Milo 497.

For Universal Press Ratto topped the rest of the boys with 514. Benedetti made 437, Dell 438, Bertatta 470, Pace 375.

The results of this clash put Milo's Butchers into a four way tie for third place with California General Linen, Model Appliance, and GallenKamps. Universal Press dropped to seventh, a game behind.

The standings as of last week follow:

MERCHANTS LEAGUE

Wrong Training

Colleges continue to train students for jobs that no longer exist, Chester G. Moore, chairman of the board of the Central Motor Freight association, recently told a conference at the University of Illinois. And all the time, he said, jobs as salesmanager, accountants, office managers, solicitors, traffic managers, and tariff experts—in the trucking industry, are going begging.

Auxiliary Whist Party Set For This Evening

Whist players of this community were reminded by Mrs. Ann Welch, chairlady, that tonight at 8:30 p. m. Daly City Unit No. 410, American Legion auxiliary will hold a public whist at Legion hall. She announced that many attractive prizes will be awarded lucky players this evening.

Prior to the public whist, members of the executive board of the auxiliary will hold a meeting.

Here's How!

This is how the smooth skating surface is maintained at Winterland, the big ice rink, at Post and Steiner streets:

First, 18 miles of pipe were welded into one piece and the network was placed on the floor of the auditorium. Sand was then packed about the pipe lines and the whole was flooded with 4 inches of water. The water became ice through the circulation of pressure-driven brine within the pipes, and the ice is now treated by a scraping and washing process three times daily.

A huge refrigeration and pumping plant is operated in the basement of Winterland to facilitate and control the freezing, because experts say that the ice temperature must be "just right" for good skating.

The government of Jamaica has prohibited the importation of corn meal.

Jeff Students Get "Patch Test"

Yesterday, freshmen and seniors of Jefferson Union high school were given the tuberculin skin test. The test is a simple skin test to find out whether or not the individual has come in contact with the germ of tuberculosis. The "Patch Test" does away with the use of a needle. It is like the application of a small strip of adhesive which is later removed.

No tests were given without the written consent of the students' parents or guardians.

The director of the San Mateo County Department of Public Health and Welfare, pointed out that should the test be positive, a letter would follow in explanation. He further stated that it is important to remember that a positive tuberculin skin test does not mean the individual has tuberculosis.

The Tuberculin Skin Testing program is sponsored by the San Mateo County Department of Public Health and Welfare, and is being carried on in all high schools of the county.

Tomorrow the patches will be removed, and the readings given Saturday. Dr. Edward S. Schulze is the physician in charge of the tuberculosis prevention program.

Why does a Golf Ball bounce?

EVER notice that a golf ball, when you drop it, bounces higher than something hollow, like a tennis ball?

That's partly because of internal *pressures,* which also have so much to do with Buick's extra FIREBALL power.

Rubber threads inside a golf ball are packed *tight,* highly compressed. When flattened against a hard object, like a sidewalk, they come back harder, with more push, and so the ball bounces higher.

A similar thing happens inside a Buick FIREBALL straight-eight cylinder.

Fuel compression *pressures* are higher here than in any other standard-production automobile engine.

So when the spark jumps in the tightly-packed, fuel-fat ball of gas-mixture at the top of the stroke – the Buick piston goes rushing down with *more* push, *more* shove, *more* power than the same amount of fuel gives up elsewhere.

Result: every Buick engine travels farther per gallon this year than the same-size engines did last year, while Compound Carburetion* with Buick FIREBALL design gives as much as 10% to 15% more miles per gallon.

In fact, if you're buying any car this year, it's pretty important to see and drive a Buick before you're through; it's Number One in smart engineering as well as Number One in solid, rock-bottom, all-round VALUE!

BUICK PRICES BEGIN AT $915 for the Business Coupe delivered at Flint, Mich. State tax, optional equipment and accessories — extra. Prices subject to change without notice.

*Optional equipment on the Buick SPECIAL, standard on all other models.

Crocker P. T. A. Elects Officers At Luncheon

Regular meeting of the Crocker P. T. A. was held at Lucca's restaurant, last Tuesday at noon. There were 26 who enjoyed the luncheon, which was also a birthday celebration for five members of the unit whose birthdays occurred in April. After luncheon, the management brought in a beautiful birthday cake with three ice cream figures around it. One a swan and two little pigs. Four sparklers were burning brightly on the cake as it was brought in.

Following luncheon, the regular meeting was held. The report of the nominating committee was read and the following officers were elected: president, Olga Bordson; vice-president, Emma D'Isep; honorary vice-president, Aileen Suber; recording secretary, Mildred Seiler; corresponding secretary, Julia V. Jordan; financial secretary, Vivian Pahlka; treasurer, Nell Caine; auditor, Otha Kinsey; historian, Eva Hobbs, and parliamentarian, Hazel Cassasa. These officers will be installed at the meeting in May, which follows the annual luncheon of the unit, in Crocker school.

Delegates to the district convention, to be held in Burlingame Friday, will be Hazel Cassasa, Olga Bordson, Emma D'Isep, Julia V. Jordan and Eva Hobbs. The alternates are Vivian Pahlka, Nell Caine, Bernardine Lewis, Florence Thorsen and Agnes Prescott.

Mrs. Bordson was chosen to represent Crocker as the delegate to the State convention which will be held in Oakland in May. Mrs. D'Isep will be her alternate.

R. L. Crane jr. was the speaker for the day. He chose "Food" as his topic. As everyone had eaten, the topic did not create the hunger which usually occurs when such a theme is chosen.

There will be no meeting of the Sew and Sew club until the week of April 20. The ladies are planning a trip to Belmont to be with Mrs. Mary Jacobi for April 23. If it is not convenient for Mrs. Jacobi to entertain that day, Mrs. Jordan will be the hostess on April 24 at her home on Bellevue avenue.

"Do not forget the whist at Crocker school, Tuesday evening, April 22, at 8 p. m.," urged Crocker P. T. A. members today.

Pershing P. T. A. Holds Audit Tomorrow

General Pershing P. T. A. set themselves a busy schedule for this week. Yesterday, an afternoon whist party was held at General Pershing school, with Mrs. Mildred Rasor and Mrs. Ruth Canier as co-chairmen. In the morning, a candy sale was sponsored at the school.

Tomorrow, an audit for Pershing unit will be held at the home of Mrs. Virginia Davidson, 581 Hanover street. The meeting will start at 2 p. m.

Friday, General Pershing will be represented at the district convention of the California Congress of Parents and Teachers at San Mateo by Mrs. Rasor, Mrs. Ann Eason, Mrs. Frances Haussler, Mrs. Caroline Conroy, Mrs. Getha Mejia, and Mrs. Davidson. At the district session, General Pershing will have on display a poster depicting their cafeteria work. At this time, according to Mrs. Davidson, they will find out how General Pershing's work for the year corresponds to the standards set for the district.

Royal Neighbors To Entertain Camps

Representatives from five Bay area camps will be entertained by Vista Grande Camp No. 6035, Royal Neighbors, Friday evening, at Eagles hall. More than 75 guests are expected to attend the banquet and program arranged by the Daly City group.

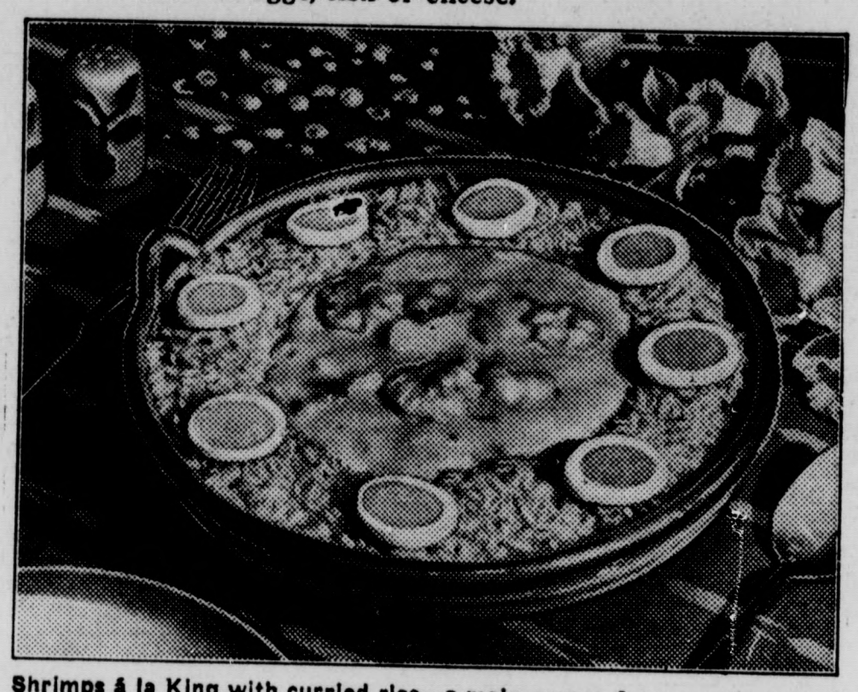
Committee chairmen in charge of the Friday affair are Mrs. Ocie Ainsworth, refreshments; Mrs. Mattie Smith, decorations; Mrs. Cora Ray and Mrs. Ainsworth, entertainment.

A MEATLESS DINNER

now and then is relished by the best of men

Dorothy Greig

A MEATLESS dinner does not necessarily mean dining on a nibble of spinach. A meatless meal can be satisfying. And it will be if you replace meat with another high protein food . . . such as eggs, fish or cheese.



Shrimps á la King with curried rice—a main course for a meatless meal.

In fact, when such a meal is carefully planned, meat will never be missed, and the members of the family will rise from the table content.

For the main dish in the dinner outlined here we have chosen shrimps because they are meaty and substantial to bite into and because they have lovely flavor. Also, either canned or fresh, shrimps are available to us all.

Chilled Tomato Juice

** Shrimps á la King with Curried Rice*

Buttered Green Peas

Cabbage Salad

Bread and Butter

Gingerbread and Whipped Cream

Coffee

Here is the recipe for the shrimp dish. In this, eggs are mixed with the shrimps in a rich, creamy and utterly delicious mushroom sauce.

Shrimps á la King with Curried Rice

1 tablespoon butter
¼ cup green pepper (cut in strips)
1 can condensed cream of mushroom soup
6 tablespoons milk
1 can (5¾ czs.) shrimps
2 eggs, hard-cooked

Cut the green pepper into strips about 1 inch long and ⅛ inch wide and cook in the melted butter. Then add the cream of mushroom soup and stir well, gradually add the milk and heat. Add the cleaned shrimps and heat in the sauce and just before serving add the sliced hard-cooked eggs.

Curried Rice

2 tablespoons butter
1 teaspoon curry powder
4 cups cooked rice
Egg slices for garnish

Add the curry powder to the melted butter. Then add the cooked rice, heat and mix well. Pack the curried rice in bottom and around sides of casserole dish or serving dish. Fill the center with the Shrimps á la King. Garnish the rice ring with egg slices. Serves 6. Note: Buttered rice may be substituted for curried rice

Say, Mama, Don't Forget Our Date

Today is the time for my check-up. The Daly City Well Baby clinic will be open from 9 to 11 a. m.

No charge is made. Scientific advice and aid in infant care are available to each mother. A child specialist and a nurse are in charge.

Only well babies are admitted to the center, located at the corner of San Jose avenue and Flournoy street. Visiting hours are the first and third Wednesday mornings of each month.

And, by the way, mama, I hope you've been listening. THIS IS IMPORTANT.

Houses for Poor

Benjamin Mason, Philadelphia Negro, on relief, won $150,000 in an Irish sweepstakes, and promptly took his winnings and put them into a housing project for 71 families, thus replacing a slum block. The Housing authority advanced the remainder of the money.

Senior Girl Scouts Finish Whist Posters

Paint, ingenuity and lots of hard work went into the making of the posters completed this week by the Senior girl scouts. The new-made placards will not be posted around town until Saturday. They announce the big camp whist sponsored by the Daly City Girl Scout committee.

This whist, to be held May 13 at Theatre hall, is an annual benefit event which defrays summer camp expenses for Daly City girl scouts.

Ticket chairman is Mrs. George Sorg. Tickets may be procured at her home, 115 Knowles avenue, or from any member of the girl scout committee.

A MESSAGE FROM THE ELECTRICAL INDUSTRY

How to make sure the house you buy or build has ADEQUATE WIRING

A house is "underwired" IF—

Lights blink or go dim when a heavy duty appliance is turned on.

Toasters or other heating appliances are slow coming up to proper temperature.

Lamps or clocks or radios must be disconnected in order to use vacuum cleaner or movie projector.

A traffic jam occurs at certain outlets and a wobbly three or four way plug must be used.

Your furniture arrangement is restricted by the location of your plugs for lamps, clocks and radios.

Every year thousands of new homes have wiring systems installed that are just short of being first-class jobs. It seems a pity that this occurs because small additional cost would assure the home builder getting a wiring job that would not bring disappointments in years to come.

Think of the many electrical appliances used in the modern home. Each year two or three additional new appliances are acquired and put into use. Then "traffic jams" occur at convenience outlets, circuits become overloaded and voltage drops so that lamps and appliances do not operate to full efficiency.

Plan each room in your house for adequate wiring. Discuss wiring completely with your architect and contractor. Talk with your electrical contractor or this company. Then plan your home wiring to meet the Red Seal Standard of Certified Adequate Wiring.

The Red Seal Plan is a set of specifications set up by wiring experts of the electrical industry. Remember Adequate Wiring will pay for itself many times over.

Campus Fashions

A picnic lunch, bright sunshine, pretty flowers, sweet music — Ah, Spring!

Yes, girls! Believe it or not—it's time we started thinking about our summer wardrobes. Do you realize that in eight more weeks, you can put away your books and enjoy the sunshine. It doesn't quite seem possible, but it's true.

Here is a sneak preview of what the fashion experts predict the best dressed co-ed will parade in this summer.

Whether your vacation be spent in the mountain, on the seashore, or right in your own back yard, there are a few essentials necessary.

First on our list of summer "musts" is a pair of man-tailored slacks. Get ones that will be durable and warm. Campus queens suggest a pair of dark navy wool slacks, topped with a white shirt and dark blue sweater. It's just the thing for that early wiener roast and mountain climbing.

For beach wear, one of those darling three-piece sharkskin play suits are just the thing. They come in all of the newest summer shades—grass green, gold, rhubarb pink and honey suckle rose.

Oh! yes, don't forget the swimming suit. If your last year's model is still in A-1 condition, give it a good spring cleaning. Rinse it in warm, mild soap suds. Squeeze the suds thoroughly through the suit; but don't ever rub. Rubbing will break the threads and cause the suit to lose its shape.

After cleaning the suit, be sure and rinse it three or four times so there isn't any danger of remaining soap. If soap is left in, it will cause the color of the suit to become dingy.

A Recruit For Safety

Governor Culbert Olson of California, enthusiastic crusader for safety, is shown enrolling Jim Wilson in the Ford Good Drivers League, which was organized by Edsel Ford to promote safe driving by the nation's youth. Jim is a high school sophomore in Sacramento. By enrolling in the league, he becomes eligible to compete for one of the 98 university scholarships — 49 for girls and 49 for boys — offered by Mr. Ford to winners of safe driving tests to be held in each state with national finals at Dearborn, Michigan, in August. "The stimulus of the Ford scholarships will focus attention on good driving in schools all over the country," said Governor Olson. "Students and their parents will have a renewed interest in highway safety, which is certain to be an important factor in reducing the appalling toll of traffic accidents."

THEATRE MANAGER BUYS PLYMOUTH FROM DONAHUE

The result? Bill's wife is now driving a new special de luxe Plymouth sedan.

All three, Smeltzer, his wife, and Donahue are happy.

Book Wear and Tear

V. J. McHenry, who annually supervises the renewing of the 3,000 library books at the University of California, reports that it is always the first 20 pages of a book that suffer the greatest damage due to the efforts of students to concentrate on them. The middle and the end rarely ever have to be renewed.

My Week

WNU Service United Features

'Young America'

We had a smooth flight from Mobile, Ala., to Greensboro, N. C., the other day but I must say that getting up at 4:45 a. m. seemed a trifle early! I was much impressed to be greeted at the Hotel King Cotton by the proprietor and his daughter, who allowed us to go to bed for several hours.

The poor secret service man, however, who had met us and arranged to motor us to Fayetteville, said he had had no sleep because everyone was telephoning him to find out if we could drive 30 to 50 miles off our route to see some point of interest.

We proceeded leisurely by motor to Fayetteville and as we went through Fort Bragg we picked up Maj. Eugene Harrison, one of our former White House aides who is now aide to General Devers.

When the President's train pulled in, we had a few minutes before he got off and I had a chance to admire the tan acquired by all the fishermen of his party. The President looks not only tanned but very much rested and is in fine spirits.

The governor of North Carolina and Mrs. Broughton came in his car soon after the President arrived. Then Mrs. Broughton, Miss Thompson and I, with Major Harrison got into one car while the President, the governor, the mayor and General Devers headed the procession.

The drive through Fort Bragg was extraordinarily interesting. They have expanded rapidly. In fact, I heard the general say they put up a building of some kind every 32 minutes!

The camp stretches 25 miles in length and 11 miles across. The equipment is adequate for training, so the men are kept very busy. A great effort is being made to provide occupation at the camp for them during leisure hours. There is an athletic program, and a group of hostesses plan entertainments in the recreation rooms. In addition, there are three movie theaters running two shows a day.

Fayetteville is a comparatively small city and this sudden addition of 65,000 men certainly has strained every facility they have. The officers at the post, however, say that everyone in the city has co-operated marvelously and the efforts they have made to provide living quarters for the families of the non-commissioned officers, as well as for the officers' families, while keeping the rents at a reasonable level, are very much appreciated.

On the whole, the health of the boys seems to be about normal. When they were living in tents it was a trifle better than when they moved into barracks, but that is almost always true.

We drove slowly, watching them perform their usual tasks. I could not help being impressed by "young America."

PRESS CLUB DINNER

I have not yet told you anything about the annual dinner given by the Woman's National Press club. This is a most entertaining party and if I weren't called upon to make a speech at the end, I should enjoy every minute of it. Last year I promised myself that if I were able to attend the party this year, I would not be sitting at the speakers' table. I would be completely carefree, with perhaps a little sense of superiority towards those who carried the responsibility of speaking before this gifted group of women. But here I was again, listening intently to everything said on the stage, knowing that at the end I had to answer the best I could what quips or friendly jibes had been made at my expense!

Despite this sense of responsibility, I really enjoy this party very much and look forward to it from year to year. The imposing list of honor guests shows that many other people do too.

We had several ladies staying with us and I think the gentlemen of the household felt rather relieved when they found that their only obligation was to entertain us for a brief moment before dinner. Then my husband, Mr. Hopkins, and Jimmy had dinner alone and a chance afterwards to work or to talk as they saw fit.

NEW YORK

The other morning I left Washington for New York city to keep a dental appointment at noon, followed by the luncheon of the Women's division of the American Jewish congress. In the afternoon I spoke to the Open-Air Classroom Teachers association of the New York city department of education. Then I had the pleasure of a visit with my mother-in-law.

• • •

I always think when I come up to New York that I am going to have ample time to do a great many things which I should like to do, such as seeing art exhibitions and really getting a chance to talk with some of my old friends. For the most part, however, in the end I find myself doing many semi-official duties and thrusting personal affairs into the background. Some day all this will be changed and I only hope that my personal friends will have the patience to bear with me during the interval and will not forget old ties.

IN A WINK

EYES FRONT is one of the most important rules for driving an automobile. Inattention to the road, while you look for house numbers, watch the scenery or light a cigarette, is a frequent cause of accidents. Emergencies happen in the wink of an eye.

To give you an idea how long a wink of the eye is, the National Safety Council says, scientists who investigated blinking discovered that it takes one-fifth of a second to blink. The average person blinks about 25 times a minute. So if you average forty miles an hour on an auto trip of ten hours, you will drive 33 miles with your eyes shut!

Women Emancipated

In dry Uzbekistan, where much of the Soviet Union's increasing cotton supply is produced by the aid of irrigation, some three-quarters of the population is made up of Uzbeks, with minority groups of Tatars, Tajiks, Cossacks and Russians. Today—in a country where wives were once bought for so much rice—women are now reported to account for one-third of the industrial workers, many of them skilled as machinists and tractor operators. Others have become teachers, actresses and physicians.

Matoaka Council Enjoys Easter Party

Celebrating Easter with traditional gaiety and sparkle members of Matoaka Council No. 18, Degree of Pocahontas, I. O. R. M. turned out in force for their Easter party, Wednesday evening.

Sisters Helena Haugaard and Katherine Shaylor, and Brother Ray Zanet proved themselves supreme in the egg races, and were therefore recipients of chocolate eggs—the prizes.

It is said that even those on diets enjoyed heartily the Lenten repast. Colored eggs were distributed to everybody. Skillful daubers of the eggs were the pocahontas, Leona Yakel, and chairman, Marion Welch. The balance of the refreshments was donated by members of the social committee.

A trip to Old Mexico is on tap for the meeting of Wednesday, April 23. There will be horse races at Agua Caliente, games of chance at Tia Juana, and Mexican atmosphere everywhere. All this and delectable Mexican dishes too will be waiting for those who go to 110 Page street, San Francisco, next Wednesday.

Ginger Rogers Has Important Decision To Make

A decision that affects three persons forms the thematic basis, as well as the beginning and ending, of "Kitty Foyle," Ginger Rogers' new starring vehicle for RKO Radio which will be shown at the Daly City theatre, Sunday, Monday and Tuesday.

Whether to run away with a married man and be happy for a time, or to marry a young doctor and gain security, is the problem that the heroine of Christopher Morley's best-seller faces. And how she solves it, after reviewing her life for the past eleven years and deciding what is the best thing to do, makes the dramatic climax of the film.

Told through a brand-new technique that enables the picture to maintain the first-person outlook of the original novel, "Kitty Foyle" is said to be Miss Rogers' finest vehicle as well as an unusual piece of film fare.

Dennis Morgan and a screen newcomer, James Craig, have the leading masculine roles, with Eduardo Ciannelli, Ernest Cossart and Gladys Cooper heading the supporting cast. Sam Wood directed the production by David Hempstead.

Companion feature on the new bill will be "Romance of Rio Grande" with Cesar Romero and Patricia Morison.

As Ginger Dresses "Kitty Foyle"

Ginger Rogers' screen interpretation of Christopher Morley's "white collar heroine" of his best-selling novel, "Kitty Foyle," as produced by RKO Radio, is marked by an attractive wholesomeness that is characteristic of Ginger and essentially modern. This is reflected also in the way Ginger dresses the role of Kitty. Here are two examples. At left is a deftly styled jumper dress whose black faille is softened by lace-trimmed white souffle. The ruffled cuffs on the pantaloon sleeves to the blouse repeat the lace trim shown in the high-necked dickie front . . . At right Ginger wears a wrap-around coat of heavy wool tweed, the hood of which has a cross-fox lining. Both of the garments, designed by Renie, studio stylist, combine good taste, practicability and eye-appeal to a high degree. The screen drama will be showing at the Daly City theatre, Sunday, Monday and Tuesday.

Unhappy Landing

Eldon Carter, Boise, Idaho, private pilot without a federal license, picked the wrong place to land. He crashed directly in front of the civil aeronautics authority office at the Boise airport when his motor failed. He escaped with slight injuries but his plane was confiscated.

Local De Soto Dealer Honored At Dinner

Returning to the city Monday night, winner of a big bonus award, was James E. Donahue, Daly City De Soto-Plymouth dealer.

Donahue had just attended the spectacular victory banquet in San Francisco, where he was honored for outstanding sales work, at the first of four conclaves in the $50,000 sales bonanza sponsored by James F. Waters, northern California De Soto-Plymouth distributor.

A novel feature of the victory banquet was that the huge cash awards were paid in bright, shining silver dollars, fresh from the mint! It also presented an innovation for sales drives inasmuch as employees other than members of the regular sales staffs were included among the winners.

Dynamic James F. Waters, head of the organization bearing his name, in presenting the big award to Donahue at the gathering of 615 De Soto-Plymouth dealers, salesmen and employees said:

"Our hearty thanks and congratulations go to Donahue and all his personnel for alert and aggressive efforts in their enterprising community. We consider Donahue one of our very best and most consistent producers—honest and sincere, well liked by all who know him. He has won a signal honor; we are most happy to present him this justly-earned and large award."

Party To Benefit Our Lady Church

Ladies whose names begin with the letters "H, I, J, and K" will be in charge of this month's benefit whist for Our Lady of Perpetual Help church. The party will be held, Friday evening, at Masonic hall.

Playing will begin at 8:30 p. m. The committee announces that a cash first prize and many other attractive awards will be given. Everyone is invited to come and enjoy the evening.

WELL, WELL, GUESS WHO'S WITH US AGAIN?

We thought they had retired to a haunted house for good—never to waft through the deserted streets of Daly City again. But we were wrong. Today a card written in a waving blue hand announced:

"Just a line to let you know we still are haunting.

Respectively,
The Royal Hauntians"

Who the Hauntians are is anybody's guess, but evidently the group is busily engaged in their activity program, whatever the program of a group of "spirits" might be.

Chrysler Shows 56 Per Cent Gain

Figures just released by Automotive News, covering the sales of the thirteen leading makes of automobiles during the year 1940, showed Chrysler in top position of sales over 1939, with a gain of 56 per cent, according to A. L. Timossi, Mission Auto company, Chrysler-Plymouth dealer here.

"The fact that Chrysler showed the highest gain of sales in the industry during 1940 over those of 1939," said Timossi, "an increase of 56 per cent—affords ample proof that 'the trend is to Fluid Drive'. During the past three years, more than 100,000 Chrysler cars equipped with Fluid Drive have been built. More than 100,000 owners in all parts of the country are using these cars over all types of roads, in all kinds of climate and weather conditions.

"And to me," continued Timossi, "the most significant thing of all is that during these three years of use, it has not been necessary to make any changes in design or construction since the first Chrysler with Fluid Drive rolled off the assembly line. The simplicity and sturdiness of this important engineering advancement, the reduction of strain on the entire driving mechanism because of the absence of a metal-to-metal contact between engine and rear wheels, have made it the most durable method of transmitting power ever devised. The service on these Fluid Drive units has amounted to virtually nothing, for the simple reason that there is nothing to get out of order.

"Owner records," stated Timossi, "prove in many instances that fuel consumption is actually less than with the former method of shifting gears."

Timossi stated that April sales for his organization would be substantially ahead of those for March.

Pigeon Shops

Albert Fenn's pet is a pigeon which sits on his shoulder while he goes shopping and responds to his whistle when he comes home from work at night.

Pianist Josef Hofmann To Play In S. F.

Josef Hofmann, renowned pianist and one of the greatest concert favorites coming to San Francisco, will be the next attraction on the series of the San Francisco Opera association, appearing Tuesday night, April 22, at the War Memorial opera house.

Hofmann's program will be of special interest not only to music lovers generally, but also students of the piano. His opening selection will be the Bach-Liszt "Chromatic Fantasy and Fugue."

Following the Hofmann date, two other attractions are scheduled to close the Opera Association's series. Helen Traubel, famous prima donna soprano of the Metropolitan Opera company, will appear Tuesday night, April 29 and John Charles Thomas on Friday night, May 2.

Tickets for the remaining concerts are now on sale at Sherman Clay and company.

Equal Billing

George and Edward Shetler have succeeded in getting equal billing until the very last day of their high school career. Twin athletes and scholars, they co-starred in track, baseball and basketball for four years in Woodhull, Ill.

Rod And Gun Boys Fish At China Camp

You've heard about fish stories. Well—Howard McMullen, secretary of the Daly City Rod and Gun club, really has a tall one to tell his fellow fishermen. Mullen captured a seven pound bass on the club's outing to China Camp, last Sunday. Wane Beagle came in close when he managed to land a five pounder.

An abalone and clam hunt is the next excursion marked down in the fishermen's date book. The boys are planning a trip to Dillion's beach, May 10 and 11.

Those planning to dive after abalone are: Louis Beanchini, Ed Moore, Wayne Beagle, and Charles Madsen.

Madsen, president of the organization, wants to inform any young man with a fishing license that he is invited to join their club. "We are always glad to welcome new members and I can assure you a grand time and plenty of fishing," concluded Madsen.

Not Religious

It has been estimated that only about 5 per cent of London's population concerns itself with church going.

REPORT VACANCIES IN MARINE CORPS

There are vacancies in the reserve and regular Marine Corps for a limited number of desirable applicants between the ages of 18 and 30 and 64 to 74 inches in height, according to officials at the Marine Corps Recruiting station.

Men who are registered for selective service are eligible for voluntary enlistment in the reserve and regular Marine Corps until officially notified to report for induction.

Those enlisted in the reserve are ordered to active duty immediately and will be transferred to an inactive status upon termination of the present emergency.

Literature and additional information may be obtained from Marine Corps Recruiting stations at 46 Federal Office building, San Francisco.

Father of Clippings

Robert Luce of Waltham, Mass., is the founder and president of one of the largest press clipping bureaus in the country. He coined the phrase, "clipping bureau." One of his first customers was John Wanamaker. He recently told the house in Washington that the government was paying far too much for its clipping service.

"Americans A l l Over", by Jerome Beatty, was the book discussed by a group of Daly City ladies at their regular Book club meeting last Monday evening. The discussion was held at the home of Mrs. Gordon King, 52 Guadalupe street, who was hostess for the evening.

After the ladies gave their opinions on the popular book, cake and coffee was served.

Those ladies present included: Mrs. Herman Welsh, Mrs. Ray Foster, Daly City; Mrs. Howard Brown, Mrs. A. Agmar,and Mrs. A. Whitecar, San Francisco.

Next regular meeting of the club will be held Monday, April 21, at the home of Mrs. Welsh, 19 San Joaquin.

Ballet To Feature Dance Satire

The San Francisco Opera Ballet will give the American premiere of a modern dance satire as a feature of one of the two performances it is to give in the War Memorial Opera House, Thursday and Saturday nights, April 24 and 26.

The new number, entitled "And Now the Brides," is the work of Willam Christensen, noted artistic director of the ballet, w i t h score by Fritz Berens, eminent conductor and composer.

Although the company has had this number in production since last Fall, it was not presented on the eastern tour just completed by the ballet. Christensen says that he preferred to save the premiere for San Francisco.

For its program the Ballet will offer "Swan Lake" with music by Tschaikowsky. The San Francisco Opera Ballet is the only dance organization to ever present this number in its entirety.

For the second performance, in addition to "And Now the Brides," the company will offer "Coppelia" in three acts with music by Delibes. This is a restoration of the original "Doll Ballet," created in 1870 and noted for its lavish costumes.

Tickets for both attractions are now on sale at Sherman Clay and company.

Mary Boland Returns To Stage

Mary Boland, noted stage and screen comedienne, returns to the footlights in "Meet the Wife," three act farce by Lynn Starling, which opened at the Curran theatre Monday night, under the management of Russell Lewis a n d Howard Young. The engagement is for two weeks only. In addition to the regular evening performances there will be bargain matinees today and Saturday.

This is Miss Boland's first stage vehicle since the New York musical success, "Jubilee" by Moss Hart and Cole Porter. She achieved previous triumphs in "Face the Music," by Irving Berlin, "The Vinegar Tree," "Cradle Snatchers" and other Broadway shows.

Since following the trek to Hollywood, she has become Metro-Goldwyn-Mayer's ace comedienne. She was starred in "The Women" and "Pride and Prejudice."

In "Meet the Wife" Mary Boland portrays a feather-brained New England charmer who gets involved in matrimonial adventures.

Added feature of "Meet the Wife" is the elaborate display of new gowns designed for Miss Boland by Howard Greer, Hollywood fashion expert.

Five delegates were chosen to represent Old Glory auxiliary at the department convention and district meetings. They are Mrs. Ann Sendner, Mrs. McHugh, Mrs. Lehigh, Mrs. Doolin, Mrs. Brulez. Alternates named were Mrs. Ellinwood, Mrs. Martin, Mrs. Dorn, Mrs. Elsie Ireton, and Mrs. Beckett.

The new officers will be installed at a public joint installation ceremony for Old Glory Post and Auxiliary, Friday evening, April 25, at Eagles hall. Mrs. Dorn will be installing officer for the auxiliary.

Royal Neighbors Sewing Group Meets

Mrs. Ocie Ainsworth was hostess, last Tuesday afternoon, to members of the sewing club of Vista Grande Camp No. 6035, Royal Neighbors. The ladies were served luncheon at her home, 773 Templeton avenue. After the regular meeting, whist was enjoyed.

Mrs. Mattie Smith and Mrs. Ainsworth were honored with a shower. Both had March birthdays and members feted them by presenting many lovely handkerchiefs for each.

Present at the afternoon affair were Ruth Bowers, Cora Ray, Mattie Putman, Ruth Appleton, Marie Rodrigues, Anna Smith, Mattie Smith, Agnes Wood, Marie Thompson, Cinderella Weller, Effie Ridley, Lila Thery, Ocie Ainsworth.

Next meeting of the sewing group will be held next Tuesday evening at the home of Mrs. Emilie Twesten, 306A Knowles avenue.

Bethel 26 Plans Pacific City Outing

If the weather man permits, members of Bethel No. 26, Order of Job's Daughters and their escorts will pack their lunches and travel down the line to Pacific City, Sunday, for a day of fun. Their last skating party was called off because of rain.

A week from Friday, April 25, in the George Washington Masonic temple, the girls will hold a whist party. The whist will begin at 8:45 p. m., following a short business meeting.

Miss Phyllis Olsen is in charge of the evening, and invites the public to attend. "There will be loads of lovely prizes and I am sure everyone will enjoy themselves," said Miss Olsen.

SET WHIST FOR BENEFIT OF GROUP 101 FOR MAY 23

Scout officials announced today that the date for the benefit whist for scouts and cubs of Group 101 had been changed from April 30 to Friday evening, May 23. The party will be held at Theatre hall at 8 p. m.

Chairmen for the event include Father Adrian McKenna, general chairman; Louis Ryan and Fred Bricker, for the cubs; Frank Coughlin and Fred Klingler, for the scouts.

Several boys of Troop 101 have won coveted places in the boys' chorus which will sing at the mammoth Scout-o-rama at Civic auditorium, next Friday evening.

CHILDREN'S SAFETY CLUB ENJOYS PARTY

After the regular meeting of the Hillside Children's Safety club, Saturday morning, the youngsters enjoyed an Easter egg hunt. Two older girls who assisted the director, Mrs. Francis Bradley, were Amelia Capurro, assistant director, and Shirley Chester. They hid the eggs and bunnies in the fields across from Mrs. Bradley's home, 358 Hillside boulevard.

Hand-made baskets, covered with typical Easter pictures, had been prepared for each child by Mrs. Bradley and Shirley Chester.

Following the hunt, Easter games were played. A Major Bowes amateur program was presented by the youngsters. Each had to give an impromptu stunt or act. The egg race was lost by the director, Mrs. Bradley, much to the hilarious delight of the youngsters.

Children present at the party included Amelia Capurro, Shirley Chester, Shirley Combs, Dolores Zanobini, Jeanie Zanobini, Dolores Winter, Barbara Winter, Alice and Dixie Schultheis, Adrienne Allain, Carol Hummel, Diane Hummel, Lois Rentsch, Virginia Klepfer.

The girls presented neighborhood boys with chocolate bunnies in celebration of Easter.

Each child donated a small sum toward the party.

Whist To Benefit Holy Angels Church

The parishioners of Holy Angels church, Colma, plan to give a whist party in the Parish Hall, Friday, April 25 at 8 p. m. This announcement was made today by Father James Sorasio, pastor of the church.

The proceeds from the card party will be used to pay for the improvements in the Parish hall and for the installation of new electric fixtures in the church.

Many prizes have been procured to insure the success of the party. The public is cordially invited.

GO WEST THIS YEAR—YIPPEE!

A nation-wide campaign to lure the country's summer motorists and tourists to "See the Old West This Year" has just been started at the first annual travel promotion conference staged in San Francisco's St. Francis Hotel by the Western States Promotion Council representing the eleven western states. Thousands of vacationists are expected to turn west this year to see the towering mountain peaks and the rugged "wide open spaces." Shown with the Super DeLuxe Ford V-8, and all dressed up in a natty "dude" cowgirl outfit is Mrs. "Babe" Olsen, of Palo Alto, California.

Daughters Of Israel Postpone Whist Party

Daughters of Israel, who usually hold their monthly public whist on the third Thursday evening, have changed this month's date to Tuesday evening, April 29. Mrs. Rose Litman, chairman, announced that playing will begin at 8:30 p. m. at 67 Los Banos avenue.

The general public is invited. Price of score cards is nominal and refreshments are served the players.

Under the direction of Mrs. L. Smith, Mrs. J. Sturla, and Mrs. E. Twesten, the Ladies Home club will hold their monthly whist, next Tuesday. The party will be held in the club house, Werner avenue. Playing will begin at 2 p. m.

A nominal charge will be made for score cards, and after the playing, refreshments will be served to all players. The ladies cordially invite the public to attend.

Cub Pack 101 Adopts New Mascot

Cub Pack No. 101 has a new mascot.

Little 5 year old Louise Munoz was officially adopted by the cubs, Friday, at their regular meeting. Louise is the daughter of Mr. and Mrs. Joe Munoz. 397 Vienna. Munoz is assistant cub master and a popular employee of Belli Motor company.

Under the direction of Munoz, the boys are planning to form a bugle corps in the summer. Little Louise will act as their majorette.

Bert Meritt Changes Business Address

Bert Meritt, well-known Daly City electrician, announces that he has changed his business address to his residence, 244 Hillside boulevard.

Formerly his business was located at 26 Hillcrest drive.

Have You Made A Dinner Date?

What dinner date? Why, a date for the Baked Virginia ham dinner to be served this evening by the drum corps of El Carmelo Parlor No. 181, Native Daughters of the Golden West.

Time: 6:30 p. m.

Place: Masonic hall.

Price: very, very nominal when you consider that you will get a delicious full course dinner and complimentary admission to the whist party following. Children under 12 are admitted for half-price.

Proceeds from the dinner are to be used to purchase new uniforms for the smart-stepping drum corps.

The committee invites everyone to attend and enjoy the evening. "We are sure you will have a grand evening," they said today.

Old Glory Post Names Officials

Peter Sunseri was elected commander of Old Glory Post No. 2044, V. F. W., at the Friday evening election of the group. Other new officials are senior vice-commander, Howard McHugh; junior vice-commander, Harold Henderson; chaplain, Howard Clifton; quartermaster, Ray Brulez. The remainder of the corps of officers is appointive. The list will be announced soon.

Installation is set for Friday evening, April 25, at Eagles hall. The ceremonies will be held jointly with Old Glory Auxiliary. Installing officer for the post will be Brulez.

Monday evening the degree team from Old Glory post assisted with the installation of the Siberian Veterans at the War Memorial in San Francisco.

Mothers Club Sponsor Luncheon Tomorrow

Members of the Mothers Club of Our Lady of Perpetual Help school will serve their monthly luncheon at the parish school, tomorrow. Youngsters will be served between noon and 1 p. m.; the mothers, between 1 and 2 p. m.

Mrs. Sophie Klingler, chairman, announced that everyone is cordially invited to attend and enjoy the hot luncheon, which is served at nominal price.

Plans are rapidly nearing completion for the annual night whist to be given by the Mothers club, Friday evening, April 25, 8:30 p. m. at Theatre hall. Mrs. C. Mullen, chairlady, announces that a cash first prize and many other attractive awards will be presented. The public is cordially invited to attend.

Bank Of America Aids Employment

"Close cooperation between the financial institution and the contractor and builder has proved most successful in promoting home building, buying and modernization," said L. M. Giannini, president of Bank of America, in discussing the bank's home loan activities.

"Under this policy," Giannini said, "FHA insured loans totaling more than $225,000,000 have been made so far by Bank of America. Year after year our tremendous volume of home loans increases, bringing throughout California the important benefits of greater home ownership, improved business, and increased employment."

"Consider what these loans have meant to the man employed in the building trades of California," Giannini added. "Bank of America's home loan volume has created more than 122,000,000 man-hours of employment, distributed among the various crafts in the building trades. For example, carpenters have benefited to the extent of 20,539,438 man-hours of employment. Painters have received 27,630,438 hours, laborers, 39,183,871 hours."

Bank of America, one of the first banks in the nation to make a serious drive for home loans in support of the National Housing Act, soon attained a position of leadership, and for some time has led all other lending institutions throughout the nation in home loans.

Animal Footprints

In bounding animals, such as rabbits, the hind feet register ahead of the front ones. One forefoot registers in front of the other, and the two large tracks made by the hind feet are placed side by side, beyond the smaller prints.

Daly City People To Observe Public Schools Week, April 28 - May 2

(Continued from Page 1)

James Ferguson, high school principal, announced.

The main address will be given by F. J. McConville, San Mateo high school principal. The high school band and chorus will add their music to the program, and a number of acts will be presented by members of the student body. Walter C. Schenk will speak, and Arthur Quirmbach, acting commander of Daly City Post No. 410, American Legion, will lead the pledge of allegiance.

In a statement on Public schools Week Ferguson said, "The most important effort put forth by the educators of this community is to impress the necessity of education in a democracy. Democracy can not exist without a high interest on the part of the general public. This can be accomplished in only one way—through education.

"The purpose of Public Schools Week is the strengthening of the bulwarks of democracy. How badly this is needed is abundantly shown by what is happening in Europe at this time."

The Daly City grammar schools do not plan to have a definite program during the week, but R. L. Crane jr., district superintendent of schools, extends an invitation to all Daly City people to go through the grammar schools, and note their activities, and methods.

According to Miss Pansy Jewett Abbott, county superintendent of schools, Public Schools Week in 1941 should be the most significant event on this year's calendar.

She says, "Our public schools are making a serious effort to convince youth that tomorrow is worth working for—that, even though economic and social world affairs are interrupted, democracy can give to boys and girls a dynamic social faith."

Speaking to the parents, patrons and taxpayers of this county, she states, "Classroom teachers, principals, and superintendents seek your counsel and advice in carrying on the training of our youth. Public Schools Week is your opportunity to serve. Won't you assume the responsibility, as well as the privilege, of helping those in the field of education to make April 28 to May 2 a vital factor in the National Defense Program?"

Ancient Decorations

Shell, crystalline spar, bone and ivory were all employed by the ancients for architectural decoration. On these hard substances, the colorists could produce excellent designs. The thin film of color, however, was not durable—it soon wore away and light places showed through. Since those days, modern methods of decoration include certain mordants to set the colors and the steeping of small articles made from such dense substances in a dye bath for several hours.

petition which will be held late in April.

The championship finals have been set for May 16 when ten regional winners will meet in the Veterans War Memorial building, San Francisco, to compete for the state title and the grand prize, a vacation trip to Hawaii. The public is invited to attend all contests.

State Board Allocates $1,188.75

(Continued from Page 1)

Francisco is second with an allocation of $192,710.25.

Allocations to other cities in San Mateo county are: Atherton $36.25, Belmont $538.75, Hillsborough $162.50, Lawndale $162.50, Menlo Park $298.75, San Bruno $1,091.25, San Carlos $221.88, and South San Francisco $1,905.00.

Stockton Lumber Improves Plant With Remodeling

said the young lumber man.

A new display room has been added, in which are shown the latest styles in doors and cabinet work. There is a special kitchen planning section, in which the many problems of kitchen furnishings and appliances are readily solved for the customer.

The inside walls and ceilings are of celotex, which increases light reflection and sound control. The interior styling is in blue enamel and mahogany.

Stockton has a complete line of builder's hardware, lumber and mill work. His collection of doors is especially extensive.

All in all, founder A. L. Stockton, known as "Al" to his many Daly City cronies, would have reason to be proud of his lumber mill, as it now stands re-modeled, modern, attractive and efficient.

First Dog Shot

Bobby, an Alsatian dog attached to a crack French Zouave regiment as a messenger, was the first dog to be shot by the Germans on the Western front, according to a report received in Paris. His body was recovered and was buried with the following epitaph: "Here lies Bobby, a messenger dog, who fell on the field of honor while rendering service."

Army Meeting

(Continued from Page 1)

Perkins, district recruiting officer of San Francisco Recruiting District 32.

The purpose of the meeting is to arouse interest in regular Army enlistments, and to enlist men at the meeting, if possible.

Second speaker will be Major Burdette A. Palmer, of the Air Corps at Moffett Field, who will speak on army aviation. Three special half-hour movies are to be shown. They are called "Service with the Colors," "Flying Cadets," and "The Army on Wheels."

Near the end of the program there will be a period for questions, which will be answered by the officers. Finally, Lieutenant Ivers will make a last plea for recruits, and "will bring out the strong points in favor of men enlisting for three years." The entire program will last two and one-half hours.

On the local American Legion committee in charge of arrangements are A. G. K. Jacobsen, R. L. Crane jr., Emil Pahlka, and Orville Talmadge.

Local Boys Flock To Vista Grande Park

Vista Grande park, although it is not yet completed, is becoming the local mecca for sport-loving boys. Every day (when it doesn't rain) the outfield is to be seen crowded with baseball enthusiasts.

The infield is not yet ready to be used, according to Bruce Boynton, Daly City WPA Recreation director. Plumbing and electricity are now being installed in the field house. Vista Grande park will be ready for use by about May 1, said Boynton.

Paving is going ahead at Acton park, and the fence posts and foundation for the rest rooms are completed.

The two tennis courts at Acton park are in constant use, according to the local recreation director.

Dixie Named

A New Orleans bank was responsible for the popular term "Dixie," applied to the land below the Mason-Dixon line. Henry E. Elrod, Houston engineer and numismatician, said the Citizens bank of New Orleans was the originator, through its 10 piastre notes. The notes were issued in 1852, printed half in French and half in English. On the face of the note was the word "Ten" and its corresponding French word, "Dix." Southerners called the bills "Dixie." In those days, states issued their own money and much of it was almost worthless. The New Orleans bank was in prosperous condition, however, and the bills spread over the southland, which gradually became known as the land of the "Dixies," and finally, Dixieland.

Rice Producers

China and India are the world's leading rice producers, with Japan ranking third. Japan's crops are supplemented by imports of the commodity.

More Interest in Sports

Is interest in athletic affairs slackening because of the European war? Not if attendance at baseball games is any criterion. At the Yankee stadium this summer, 84,000 paid to see a game, the third largest crowd in baseball history. And in the Pacific Coast league, Seattle, until June 5, 1940, drew 27,000 more admissions than during the corresponding period in 1939, and Seattle led the league in attendance in 1939. It seems that people want to get away for a couple of hours from the war news in Europe and welcome the opportunity of going to the ball game or playing a bit of golf.

Longest River

The Mississippi-Missouri, generally considered one river by geographers, is the longest in the world. From the fountain-head of the Missouri, in the Rockies on the southwest border of Montana, its total length is 4,221 miles. From the source of its other branch at Lake Itasca in northern Minnesota, the so-called Mississippi proper is 2,553 miles long. The second longest river is the Nile, 4,000 miles from its remotest headstream, the Kagera, which flows into Lake Victoria. The Amazon river in South America has the greatest basin—2,772,000 square miles.
